

Snap: Care Team Package

Recruiting for 5 or more support workers for a Care Team? Looking for a cost-effective option to recruit multiple staff?

The Snap Care Team Package is mix of our [fully-inclusive recruitment service](#) for the Team Leader, plus the [Snap Shortlist option](#) for all additional team members.

Team Leader

A Team Leader plays a pivotal role within the team; it's essential to get the right personality and experience. We'll meet the client, identify the client's wider needs and recruit for this key person.

Recruitment Cost: 16% of the annual salary (Approximately £5,300.00, based on a wage of £16.00 an hour, 40 hours a week). Our Fully-inclusive recruitment service comes with a 6-month guarantee.

Support Workers

We'll promote the support worker positions through our Snap Shortlist service and forward CVs of candidates who have confirmed they meet the objective criteria when we speak with them. The Team Leader can be an ideal person to assist with the recruitment of the support workers.

Usual cost for the Shortlist option is £1,800.00 per placed candidate, but the Snap Care Team Package attracts a 50% discount at £900.00 per placed candidate.

Additional package features:

- A 6 month guarantee on all placements (typically only available for the fully-inclusive recruitment option). If a placement is unsuccessful within 6 months, we'll re-run the advert at no additional cost.
- The use of our London office for candidate interviews by arrangement.
- If required, a Bank Worker advert can also be run for free through the Shortlist option.
